

Thank You

We appreciate your support. The assistance we are able to provide students relieves their families of financial burdens and allows the students to grow academically and spiritually. If you would like to invest in our mission to remove financial barriers and inspire hope, please consider one of the following amounts to donate:

\$3,500 will cover the annual tuition for one student.

\$1,750 will cover the tuition for one semester for one student.

\$350 will cover one month's tuition for one student.

Priceless: Your prayers for our students.

OKAH donates proceeds to the Sacred Heart Tuition Fund, which has raised \$510,010 since 2010.

Meet Melanie

“At San Juan Diego Catholic High School, there is a family-oriented environment, the classes are small, you get to know people better, and you develop more meaningful relationships. I also learned the importance of being committed to your parish through helping the teacher in the Religious Education Class on Sundays.

- Melanie Carrate, Recent Graduate

Melanie is a first-generation college student who graduated with honors from San Juan Diego Catholic High School. She will attend Our Lady of the Lake University, a Catholic university in San Antonio, with a four-year scholarship.
